On March 15, 2017, we entered into separate securities purchase agreements pursuant to which we agreed to sell up to \$4,750,000 of principal amount of Notes and three year warrants to certain of the selling stockholders. On March 16, 2017, we satisfied all closing conditions and closed the transaction. The Notes are convertible into shares of Common Stock at an initial conversion price of \$2.50. Each warrant is exercisable into shares of Common Stock at an exercise price equal to \$3.56 per share.

At any time, a selling stockholder may submit a conversion or exercise notice indicated their intent to convert its Note or exercise its warrant. However, the Company may not issue any shares of its Common Stock upon such conversion to the extent such issuance (when aggregate with all other applicable issuances) would exceed 19.99% of the Company's issued and outstanding Common Stock, until after the Company has received approval from NASDAQ and holders of its Common Stock, in order to remain compliant with NASDAQ Listing Rule 5635. We are also prohibited from effecting a conversion of any Note or exercise of any warrant to the extent that, as a result of any such conversion or exercise, the holder would beneficially own more than 4.99% or 9.99%, respectively, of the number of shares of Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon conversion of such Note or exercise of such warrant, as the case may be.

We agreed to file a preliminary proxy statement within 45 days of closing of the March 16, 2017 transaction, which preliminary proxy statement was filed on April 28, 2017, for a special meeting of our stockholders, in order to submit to our stockholders a proposal to approve an amendment to our Articles of Incorporation authorizing the creation of 15,000,000 shares of "blank check" preferred stock and, thereafter, we shall designate shares of preferred stock as "Series A Preferred Stock" by filing a Certificate of Designations, Preferences and Rights of 0% Series A Convertible Preferred Stock with the Secretary of State (such date of filing, the "Filing Date"). On the Filing Date, the Notes shall automatically, and without any further action on the part of the holders, be exchanged for shares of Series A Preferred Stock based on a ratio of \$1.00 of stated value of Series A Preferred Stock for each \$1.00 of then outstanding principal amount plus any accrued but unpaid interest thereon, pursuant to Section 3(a)(9) of the Securities Act.

As of the date hereof, the Notes and proceeds from the Notes remain in escrow. During this time, the selling stockholders are at market risk inasmuch as the price of the Company's Common Stock may fall below the purchase price of the Notes on or before such securities are released from escrow, if at all. The Notes and corresponding proceeds would be released upon the execution of definitive documents for a Qualified Transaction (as defined in the securities purchase agreement). The selling stockholders are not irrevocably bound to receive the Notes as a Qualified Transaction may never be consummated. In the event the Company fails to execute such definitive documents within the proscribed time period, the Lead Investor (as defined as defined below) has the right to waive such requirement and may approve the release of escrow in writing. The selling stockholders (other than the Lead Investor) do not have the ability to determine satisfaction of the escrow release.

The Lead Investor is Barry Honig, who is also a selling stockholder, both individually and through GRQ Consultants, Inc. Roth 401K FBO Barry Honig, for which Mr. Honig is trustee.

SELLING STOCKHOLDERS

This prospectus relates to the sale or other disposition of up to 5,657,161 shares of our Common Stock by the selling stockholders named below, and their donees, pledgees, transferees or other successors-in-interest selling shares of Common Stock or interests in shares of Common Stock received after the date of this prospectus from a selling stockholder as a gift, pledge, partnership distribution or other transfer, which includes:

- (i) 900,000 shares of Common Stock;
- (ii) 1,957,161 shares of Common Stock issuable upon the conversion of outstanding convertible promissory notes; and;
- (iii) 2,800,000 shares of Common Stock issuable upon the exercise of outstanding warrants.

The following table, based upon information currently known by us, sets forth as of July 14, 2017, (i) the number of shares held of record or beneficially by the selling stockholders as of such date (as determined below) and (ii) the number of shares that may be sold or otherwise disposed of under this prospectus by each selling stockholder. Percentage ownership is based on 5,392,503 shares of Common Stock outstanding as of July 14, 2017, plus securities deemed to be outstanding with respect to individual stockholders pursuant to Rule 13d-3(d)(1) under the Exchange Act. Beneficial ownership includes shares of Common Stock plus any securities held

by the holder exercisable for or convertible into shares of Common Stock within 60 days after July 14, 2017, in accordance with Rule 13d-3(d)(1) under the Exchange Act. The inclusion of any shares in this table does not constitute an admission of beneficial ownership for the selling stockholder named below. We do not know when or in what amounts a selling stockholder may sell or otherwise dispose of the shares of Common Stock covered hereby.

The selling stockholders may not sell or otherwise dispose of any or all of the shares offered by this prospectus and may sell or otherwise dispose of shares covered hereby in transactions exempt from the registration requirements of the Securities Act. Because the selling stockholders may sell or otherwise dispose of some, all or none of the shares covered hereby, and because there are currently no agreements, arrangements or understandings with respect to the sale of any of the shares, we cannot estimate the number of the shares that will be held by the selling stockholders after completion of the offering. However, for purposes of the following table, we have assumed that all of the shares covered hereby are sold by the selling stockholders pursuant to this prospectus.

None of the selling stockholders has held any position or office, or has otherwise had a material relationship, with us or any of our subsidiaries within the past three years other than as a result of the ownership of our shares or other securities. Unless otherwise indicated below, to our knowledge, all persons named in the table have sole voting and investment power with respect to their shares of Common Stock, except to the extent authority is shared by their spouses under applicable law. Unless otherwise indicated below, to our knowledge, no persons named in the table are a broker-dealer or affiliate of a broker-dealer. Unless otherwise indicated, all addresses are c/o Biopix, Inc., 834-F South Perry Street, Suite 443, Castle Rock, CO 80104.
